FIFTY-THIRD CONGRESS.

WARRINGTON. July 6.- SENATE - Nothing of

Washington. July & Shrays. Nothing of special importance wha transacted in the sensite Thursday.

House A bill was passed granting a right of way through the Indian territory to the Arsansan & Terms Central Indirond Co. also a joint resolution reported from the committee on appropriation by Mr. Sayres (dem. Tex.), authorising the secretary of the may to ampley until July II the mechanics and Riberers in the mary arrise recently dismissed because of the serious dushs of his authority to continue them at work until the himshed resolution passed near week, extending the appropriation bills of last year to cover expenditures during the mouth of July. After the natiff bill had been received the house took up the bill introduced by Mr. Cooper (dem. Ind.) permitting station and territories to las green-backs and treasury notes the same as other forms of money and personal property were taxed. This was discussed until 5:15 octobe. at which hour the house adjourned until noon. Friday.

Washington, July E—SENAYE—As a sort.

WASHINGTON, July P.-SENATE.-As a sort. Wassitavron, July 1.—Senate As a sort of compensatory move for its long daily nessions during the three months that the tariff till was being considered the scenar, after a two days recess, spent only an hour and a half in session Friday, and then adjourned till Monday at noon, having first made ab order that its daily meeting shall be hereafter at noon instead of two hours earlier. Several bills were passed during the short time the session hated including the one continuing the employment of mechanics and laborers at the several navy yards.

Hotter—The greater part of the day's session was occupied in the further consideration of the bill to permit states and territories to

on was occupied in the further consideration, the bill to permit states and territories to x greenbacks and treasury notes. This was sensel-ITI to 41. A house bill was also passed sating to the town of Castine Mc. a tract three acres in that place knewn as Ft. Madin Lodge, for purk purposes. With the steed informality and with not even a word of amount, the tariff bill was Friday into before a house by Speaker Crisp, ordered to be inted and referred to the committee on wars dimens. It came about in the regular order business, and was disposed of in only so

WASHINGTON, July 9. - SENATE-Not le ses HOUSE. The turiff bill was duly reported for

ster Saturday

House. The tariff bill was duly reported for nonsurcence to the house Saturday by Chairman Wilson, of the ways and means committee. A depair followed hardly worthy of note, when the house nonconcurred in all the senata amendments in a lump, and sent the bill to conference. The house conferences are Wilson, of West Virginia, McMillan, of Tennessee, Turner, of Georgia, Montgomery, of Konneky, all democrats, and Reed, of Mainet Burrows, of Michigan, and Payne, of New York, republicans. The joint conference will begin Monday, Washisorow, July 10.—Senate. Senator Allison Monday gave notice in the senate of amendments to the sundry civil appropriation bill as follows. For completing Sloux City, In., proble building, 25,000. For making freproof all parts of the Davenport, In., public building, 25,000. For making freproof all parts of the Davenport, In., public building, 25,000. For making freproof all parts of the Davenport, In., public building, 25,000. Senator Sherman introduced a pacifican for the public building at Ft. Worth, Tet. \$80,000. Senator Sherman introduced a pacifican from J. B. Corry, a coal merchant of Pittsburgh, praying for the passage of a law to gunial billings for districting the civil process of state and national authority, and also declaring it unlawful for capitalists to enter into combinations for monopoly.

BIGGEST FISH IN THE SEA.

There was great commotion in the zoological department of the Stanford Virginia. She remembered well the ceived a telegram from an Italian fish-year 1812, and could give the names of erman at Monterey saying that he had PATTERSON & EVANS, from Virginia, in this section of that and inquiring if they wanted it. Dad state, then Augusta county, which at they want it? Well, President Jordan that time extended from Pennsylvania rushed from his office across the quadrance on the north to the Kanawha river on the south, and from the Ohio river where Prof. Gilbert and some other ished the telegram. He jerked out his watch and said there were thirty minutes before the Monterey train would get to Palo Alto, over a mile away, and Prof. Gilbert grabbed his hat. He called an expert assistant who could uses the pig-skin shustle, and the two scientists made English method. that train. The fisherman soon got his answer. President Jordan would terest, says the San Francisco Examiner, show how much value a basking DESVER, Col., July 10.—A special arises, like that of many other things, bearing a company of railway employes of the different orders other sharks are not seen every day, and playes of the different orders other than A. R. U. went south Monday than A. R. U. went south Monday morning for the purpose of conferring with employes on the strike. All who return to work Monday may have their former positions. This ends the strike. Colorado unions are not openly arrayed against the A. R. U. not a fish, but a mammal. The specimen captured somehow by the Italian fisherman, who has a standing order from the Stanford university for anything new or queer in his line, is thirty-five feet long and measures.

> of fishes is also the least feroclous of sharks. It sticks pretty well to the bottom of the ocean, is sluggish in movement, and feeds on crustaces, seaweed, etc., instead of other fishes. It belongs to the northern seas, but in

"It's real lumny to note the man mer in which a man prepares to run for office. First, he is understood to be thinking of it then he makes up his mind he can't spare the cast. That was in 1880 at Monterey, We chapped out a piece of one of its gills and it was all one man wanted to carry. Pictures of the basking sharif are not reliable representations, for there have been few chances to draw them. There are probably but a few hundred in the ocean. The British museum has a standing offer of one thousand dollars for the standing offer of one museum has a standing offer of one thousand dollars for the skin of one. but a man would carn his money getting it, for it would take two months to skin the fish and care properly for the hide. Prof. Gilbert may try to
